SUPERINTENDENT'S ANNUAL REPORT

February 2, 1950

To the School Board and Citizens of Newmarket:

It is with pleasure that I submit my third annual report as Superintendent of your schools.

This past year was indeed an unsettled one for education. The legislature cut state aid to Schools from $2,000,000. back to $400,000. This fact seems unbelievable when it is generally understood that education is the basis of our democracy. The school children of today will be the citizens of tomorrow.

As a part of this report, there will be a page devoted to Return of District Revenue, which shows the actual budget that the School District is using for the current year (1949-1950). This is also a result of legislative action.

The expenses for the Supervisory Union have also been changed. Formerly all towns in this union paid their share of expense according to their number of teachers. Now it must be divided equally between equalized valuation (1949) and average daily membership. Newmarket's share of Union expenses is approximately 30%.

TEACHERS

Mrs. Pauline Breck of Laconia, a graduate of Plymouth, was hired to replace Ellen Deem in grade 3. Miss Deem left to marry and is now teaching in Milton.

Mary Maguire, teacher of English, French and Latin, left at the end of last school year to complete her master's degree. She was replaced by Marjorie Wood of Hampton, who has had many years of successful teaching in New Hampshire and Vermont.

Howard Jackson of Keene T. C. was elected to replace Marion Burnett. Mr. Jackson teaches Math and Science and comes from Alstead, N. H.

Mary Rheault of Lowell, Mass., a graduate of Salem T. C. replaces Mrs. Jean Hibbard who resigned to accept a teaching position at Claremont. Miss Rheault coaches girls' basketball, edits the yearbook and handles school finances.

William Marcoux, of Nashua and a graduate of Keene T. C. was elected to replace Gardiner Holmes. Mr. Marcoux teaches Manual Training plus Math and Science. It is hoped that shop courses can be offered to High School students in the future.

Mrs. Matilda Youngman, a graduate of the U. N. H. and a resident of Hampton was elected as teacher of Home Economics, replacing Mrs. Lewilda Raymond, who resigned to accept a teaching position in Concord.

Forrest Miner, a graduate of the U. N. H. replaces Walter Foster who resigned to become Headmaster of Nute High School in Milton. Mr. Miner comes from Brattleboro, Vt., coaches all sports and teaches social studies.

John Economopoulos of Dover, N. H. has been acting as Sub-Master in High School due to the sudden resignation in January of John McGrath due to illness. Mr. Economopoulos has been acting

very capably as Headmaster with the assistance of the teachers and superintendent.

Rexford Avery Headmaster of Amherst High School was elected to replace John McGrath. Mr. Avery plans to live in Newmarket and assume his duties February 27th.

REPAIRS and REPLACEMENTS

To comply with the State Fire Marshal's requests, the following has been completed:

Central and Stone Schools

1. Boiler rooms made fire resistant
2. Provided one Soda-Acid Extinguisher for each classroom and boiler room
3. Front entrance repaired, platform raised and new doors installed
4. Altered all school room doors to swing outward
5. Provided an individual fire alarm system having a button in each school room, boiler room, and in front hallway
6. Rebuilt fire escapes and door to make easy safe escape from building

In the High School fire extinguishers were purchased. In addition to these fire repairs the school board has had the following completed:

Central School

1. Fence around the central school yard
2. Painted trim on outside
3. Repaired roof
4. Installed lights in Grade 4
5. Installed new flag pole
6. Installed stoker

Stone School

1. Painted Grade 6 classroom
2. Installed oil burner
3. Painted trim on outside
4. Covered boiler

High School

3. Installed two sinks
4. Installed new electric range
5. Installed new electric water heater
6. Rewired Home Ec. Room
7. Replaced two outside doors
8. Tarred driveways
9. Replaced five typewriters
10. Repaired all poor plaster

A new gas range was presented to the Home Ec. Dept. by Edgar Moison of Rockingham Gas Co. This was greatly appreciated. Turcotte Hardware has also replaced the refrigerator with the latest Frigidaire.

Mr. Harold Dawes and Charles Lang deserve many thanks for the excellent shelter they built for the bus children.

It is hoped that the Central School yard can be graded, lighting improved in another classroom and one or two teachers' desks replaced.

At the High School, several classrooms and corridors need paint. Window curtains need to be replaced and one front walk needs to be raised and resurfaced. Buildings kept in good repair are an asset to any town and Newmarket deserves much credit in this respect

In closing, I wish to express my thanks and appreciation to the School Board, citizens, teachers, and pupils of Newmarket who have been so cooperative and helpful during the past year.

Respectfully submitted,

ARTHUR W. DANIELSON,
Superintendent

Audiometer Test for Ears.

Corrections made are what I find have definitely been made since last health examination.

Not many extra state funds now available to do much correction work. All state funds being cut.

Four children—glasses through sight conservation service.

Five children—to eye doctor for examination of eyes. Glasses gotten for all 5 cases.

Four children taken to Orthopedic Clinic.

Health condition in all the schools good past year.

No contagious disease epidemic of any size which helps.

Our greatest need is still lack of Dental care, corrective dental work in our lower grades, needed so badly. We are still trying to get the "Dental Mobile Unit" either for dental work or the Flourine treatment. No good news to date.

Thanks to local Red Cross for milk and other help. Teachers, Sisters of St. Mary's, and parents, for cooperation during the year.
